MEMORANDUM FOR: Director, Intelligence Community Staff
FROM: Director of Central Intelligence
SUBJECT: The President's National Space Strategy

1. I would like to see a draft of the concept for our response to the question posed by Clark on the President's National Space Strategy. The response is not due until November but this is so important that before leaving on my trip I would like to see what we have collected and how we propose to go about formulating our response.

2. Get Larry Gershwin's input and give me also a package of the relevant studies and other inputs.
